

Manufacture Your Future CAREERS EXPO

May 17-18, 2006

A statewide event for:

- **Students from grades 7-12**
- **College students**
- **Adults interested in manufacturing careers**

Walk off the street into a virtual manufacturing facility on the floor of the Connecticut Convention Center. Here, students will feel the energy of the production process and witness the high tech world of modern manufacturing.

Manufacturing Processes Shown

- CAD CAM Design
- Coil Slitting
- Lasers
- Finishing
- Plastic Injection Molding
- Tool and Die
- CNC Programming
- Stamping
- Plating and Assembly

In addition, the Expo will feature:

- Exhibits and demonstrations from Connecticut companies
- Workshops for educators
- Representatives from technical high schools, community colleges, and universities
- Economic conference for interested companies

Scheduled, escorted tours of the "Manufacture Your Future: Careers Expo" are available either day and will take approximately two and a half hours plus travel time.
