Registration and General Information

Please submit your application by **April 30, 2013** to tech.event21@gmail.com to be considered for participation in the Summer Teacher's Dissemination Workshop.

Participants accepted in the program will be provided with the following:

- Reimbursement for train/airfare (up to \$600.00) or mileage (up to \$220.00)
- Room accommodations in historic downtown New London
- VIP Reception at the Officer's Club with the Admiral of the U.S. Coast Guard Academy
- Breakfast, lunch and dinner
- Program stipend of \$250.00
- Manuals and related technical materials
- 4.0 Continuing Education Units (CEU) credits
- Stipend of \$500.00 for the implementation of the materials at your home institution in Fall, 2013

Cancellations must be submitted via e-mail to tech.event21@gmail.com by June 15, 2013 so that the position you cannot fill can be offered to another interested individual.

Program Changes Workshop organizers reserve the right to make changes to the agenda or with instructors without prior notification to participants.

The Engineering Challenge for the 21st Century Summer Teacher's Workshop is available to all without discrimination.

Event is co-sponsored by the U.S. Coast Guard Academy and the National Science Foundation funded Regional Center for Next Generation Manufacturing.

Participant Name: _____

Elaborate on the following questions:

1. **What are your expectations regarding the Teacher's workshop?**
2. **What is your experience/participation in Engineering and Technology programs that promote STEM careers?**
3. **Have you participated in other Engineering and Technology Teacher workshops? Please elaborate on your experience.**
4. **How are you planning on implementing/disseminating the concepts learned at the workshop?**
